

# HOT GOSPEL!

A Christian community conversation about God and global warming

GOOD NEWS FOR A WARMING WORLD

During '08 there will be a number of **Hot Gospel** gatherings, the purpose of which will be to reflect Biblically and respond practically to a planet in trouble.

Our first gathering will be for the purpose of story-telling and discussion. Dr Ian Barns, a lecturer in Environment and Sustainable Development at Murdoch University, will also provide some input.

**When:** May 29, 7.30pm

**Where:** Earthwise Centre,  
315 Bagot Rd, Subiaco  
*Behind the Pink Church!*

**Cost:** Gold coin donation for supper.

**RSVP:** by May 26 on 9443 5100  
or to [andrew@tear.org.au](mailto:andrew@tear.org.au)
